john milton s epic story of cosmic rebellion and the beginning of human history has long been considered one of the greatest and most gripping narratives ever written in english yet its intensely poetic language now antiquated syntax and vocabulary and dense allusions to mythical and biblical figures make it inaccessible to many modern readers this is as the critic harold bloom wrote in 2000 a great sorrow and a true cultural loss dennis danielson aims to open up milton s epic for a twenty first century readership by providing a fluid accessible rendition in contemporary prose alongside the original the edition allows readers to experience the power of the original poem without barriers to understanding

the romantic legacy of paradise lost offers a new critical insight into the relationship between milton and the romantic poets beginning with a discussion of the role that seventeenth and eighteenth century writers like dryden johnson and burke played in formulating the

political and spiritual mythology that grew up around Milton. Shears devotes a chapter to each of the major Romantic poets contextualizing their misreadings of Milton within a range of historical, aesthetic, and theoretical contexts and discourses by tackling the vexed issue of whether *Paradise Lost* by its nature makes available and encourages alternate readings or whether misreadings are imposed on the poem from without. Shears argues that the Romantic inclination towards fragmentation and a polysemous aesthetic leads to disrupted readings of *Paradise Lost* that obscure the theme or warp the grain of the poem. Shears concludes by examining the ways in which the legacy of Romantic misreading continues to shape critical responses to Milton's epic.

concerns the christian story of the fall of man the temptation of adam and eve by the fallen angel satan and their expulsion from the garden of eden milton s purpose stated in book i is to justify the ways of god to men and elucidate the conflict between god s eternal foresight and fre e will

john milton was born on december 9 1608 around the time shakespeare began writing his romance plays cymbeline the winter s tale the tempest and john smith established his colony at jamestown milton s father was a scrivener and perhaps more importantly a devout puritan who had been disinherited by his roman catholic family when he turned protestant in april 1625 just after the accession of charles i he matriculated at christ s college cambridge during these years milton considered entering the ministry but his poetic ambitions always seemed to take precedence over his ministerial aspirations milton composed his early verse in latin in the fashion of a classically educated person as soon as his third year at cambridge however he expressed his desire to abandon such fashionable poetry in order to write in his native tongue unlike the learned classicists of his day who imitated greek and latin versification milton sought to rehabilitate the english poetic tradition by establishing it as an extension or flowering of the classical tradition he saw

himself as a poet whose lineage extended through the romans back to the greeks like homer and virgil before him milton would be the epic poet of the english nation the poetic vocation to which milton was heir is both nationalistic and religious in character the epic poet chronicles the religious history of a people he plays the role of prophet historian hence as milton wrote in a letter to charles diodati the bard is sacred to the gods he is their priest and both his heart and lips mysteriously breathe the indwelling jove a sense of religiosity and patriotism drive milton s work on the one hand he felt that he could best serve god by following his vocation as a poet his poetry would on the other hand serve england by putting before it noble and religious ideas in the highest poetic form in other words milton sought to write poetry which if not directly or overtly didactic would serve to teach delightfully the body of work emerging from these twin impulses one religious the other political witnesses his development as or into a christian poet and a national bard finally it is in paradise lost that milton harmonizes his two voices as a poet and becomes the christian singer as it were of epic english poems it should be noted then that in paradise lost milton was not only justifying god s ways to humans in general he was justifying his ways to the english people between 1640 and 1660 that is he was telling them why they had failed to establish the good society by deposing the king and why they had welcomed back the monarchy like adam and eve they had failed through their own weaknesses their own lack of faith their own passions and greed their own sin god was not to blame for humanity s expulsion from eden nor was he to blame for the trials and corruption that befell england during the time of the commonwealth under oliver cromwell the failure of the puritan revolution was tantamount for milton to the people s failure to govern themselves according to the will of god rather than of a royal despot england had had the opportunity to become an instrument of god s plan but ultimately failed to realize itself as the new israel paradise lost was more than a work of art indeed it was a moral and political treatise a poetic explanation for the course that english history had taken milton began paradise lost in 1658 and finished in 1667 he wrote very little of the poem in his own hand for he was blind throughout much of the project instead milton would dictate the poem to an amanuensis who would read it back to him so that he could make necessary revisions milton s daughters later described their father being like a cow ready for milking pacing about his room until the amanuensis arrived to unburden him of the verse he had stored in his mind
